

Maryland-Delaware Chapter Event

Charity Golf Tournament

Wilmington, DE - The National Academy Associates Maryland-Delaware Chapter held its Annual Golf Tournament Event on Monday, August 3, 2015 at the Dupont Country Club. The proceeds from the tournament not only benefit both the Maryland and Delaware Special Olympics, but also the Chapter's scholarship fund for deserving students. The tournament generated thousands of dollars for these charities. Tournament participants were comprised of regional law enforcement leaders at the local, state, and federal levels. We also had the pleasure of playing with many of our sponsors and everyone enjoyed the luncheon.
