

## Maryland-Delaware Chapter Event

### *East Carolina vs. Navy*

**Annapolis** - The National Academy Associates Maryland-Delaware Chapter held its annual Navy Tailgate Event on Saturday, September 19, 2015. Over 100 members and guest attended the event and enjoyed burgers, dogs, beverages, a grilled pig and football.

During the pregame tailgate festivities we were joined by a fellow NA Grad (257<sup>th</sup>) and his wife who were in town from New Mexico. They stopped by for fellowship after seeing the chapter banners proudly displayed on the tent. They were great folks who got to see some familiar faces from our NA Grads of the 257<sup>th</sup>. Navy quarterback Keenan Reynolds ran for five touchdowns and 142 yards as the Midshipmen dominated the pirates in its American Athletic Conference debut with a 45-21 victory. They don't say "Fear the Goat" for no reason!
