

On September 10<sup>th</sup>, 2016, the Md/De Chapter held our annual Navy Tailgate/Football Game in Annapolis Maryland. A record 172 people showed up for the eve, including 45 current attendees from current session in Quantico representing States around the Country, as well as an officer from Guam. Everyone enjoyed the beautiful day to include, hamburgers, hot dogs, a roasted pig, lots of beverages, lots of give-a-ways and an exciting game between NAVY and UCONN which ended with Navy as the victors but a game that went down to the wire.
